## KNOWLEDGE

Schools were established for the purpose of knowledge. In the days in which we live it would be almost impossible for any individual to learn all that there is to know. Knowledge has increased in every field of study in these past few decades. It is prophesied that this would be so in the end times. In Daniel 12:4 we read, ". . . many shall run to and fro, and knowledge shall increase."

The question of knowledge also faces the young Christian. There is so much to know and there are so many fields of study to enter. Now the Apostle Paul has given us instruction on this subject in the first chapter of Colossians.

First, there is a reference to knowledge in verse six. Paul says that the believers at Colosse "knew the grace of God in truth." This is the proper place for knowledge to begin. Every young person needs to know the grace of God. The grace of God that bringeth salvation hath appeared to all men in the person of Jesus Christ. To know the grace of God in truth is to know Jesus Christ. To know Christ in truth is to be saved. This is the most important knowledge in all the world. If any individual is not saved, he is not prepared to die. If anyone is not prepared to die, he is not prepared to live. Here at Christian Academy we teach that this knowledge is basic to all knowledge. Without this foundation all our learning is built upon sinking sand. Yes, we need to know Jesus Christ, whom to know aright is life everlasting.

Second, in Colossians 1:9 Paul speaks of the knowledge of His will. At the very beginning of Christian experience we need to know what our Lord would have us to do. The first question that Paul asked his newfound Lord was, "What wilt thou have me to do?" Notice, it is not what Paul thought was wise for him to do in order to be secure, but what was God's will. You may know God's will by reading and obeying the Word of God. Each day at Christian Academy we read and study the Bible to know God's will for our lives.

Finally, Paul says in Colossians 1:10, ". . . and increasing in the knowledge of God." This refers to our service. To know Christ is salvation. To know His will brings us to a study of the Bible. To increase in the knowledge of God means to enter into service for Him. Servants of God! What a privilege! What an opportunity! Begin today!

One day recently while reading my Bible, I read this statement about Jesus Christ. "He must needs go through Samaria." John 4:4 The word "must" showed me that there were certain things that He was to accomplish during His lifetime.

Every person also has a few "musts" to perform during his lifetime. Jesus on one occasion said, ". . . Ye must be born again." John 3:7 This points out the necessity of receiving Jesus Christ as personal Saviour.

Here at Glen Cove Christian Academy we seek to teach our students responsibility to God. I feel that one of the most important "musts" in the will of God is to receive a well-rounded education. This is what we are seeking to provide. May the Lord help us in our endeavor for Him.

Mr. and Miss Senior Class were chosen by the faculty for their Christian leadership, willingness to be of service, dependability, and spirit of co-operation portrayed in and out of the classroom. We appreciate these two students and the part they have played in our school.

S E N I O R

We, the Class of 1966, would like to extend a special "thank you" to Mr. Hubert Tracy for his spiritual concern and interest in our class. We would especially like to express our gratitude for his generosity and inspiration in helping our class attain our Building Fund goal in 1964. As we continue along the pathway of life, we shall always remember the vibrant testimony he has shown in our years at G.C.C.A.

Lights! Cameras! Action! The Glen Cove Christian Academy Dramatics Club has completed its second successful year under the direction of Mrs. Edith Chaffee and Mrs. Carole Ann Sprague. The club sponsored a Halloween party and put on a three-act mystery comedy, "Come Out of the Closet." We sincerely appreciated the patience and guidance of our directors, and we thoroughly enjoyed the Christian fellowship which we experienced.

# VOLLEYBALL

FIRST ROW: D. O'Roak, S. Gower, N. Beard, L. Glidden, L. Fraser.  
SECOND ROW: B. Woodman, J. Brown, L. Walker, G. Huntley, J. Abbott, B. Foster.

The girls' volleyball team, under the direction of Mr. Dexter Wheeler, did fairly well this season with four wins and two losses, both to Warren. They tied with Warren for first place in the league, and they received a trophy for this, as the two teams did not play off for the title. Team spirit was high, and they praise God for the opportunity to play to His glory.

## CROSS-COUNTRY

FIRST ROW: T. Duff, R. Dyer, C. Bubar, T. Chaffee.  
SECOND ROW: B. Fernald, P. Bryan, P. Humprey, S. Jewell.

The cross-country team this year, under Coach Glenn Chaffee, continued its record from last year with six wins and no losses in MVL competition. For this the team received a trophy. They then went to Bristol for the league meet. Again our team came in first, winning a new rotating trophy. Bob Dyer, Paul Bryan, and Calvin Bubar won gold medals for a three-way tie for first place. Our boys also went to Waldoboro and won the "M" and "S" meet. The team was entitled to compete in the state meet at the University of Maine, where they ran in ankle-deep snow. The outcome was not too impressive, but the boys did very well. We believe a team like this is a good testimony for the Lord, as well as for G.C.C.A.

We would like to thank our coach, Mr. Chaffee, Manager Albert Fraser, and Trainer Paul Hopkins for their help in this endeavor.

# FIELD DAY

FIRST ROW: S. Wheeler, G. Huntley, J. Collins, J. Abbott, J. Brown. SECOND ROW: B. Fernald, T. Duff, P. Humphrey, P. Bryan, B. Dyer. THIRD ROW: W. Larkin, D. Nickerson, S. Jewett.

Christian Academy made a good showing at the MVL Field Day in Union this year. In the boys' competition, the total score was 61 points, which earned them first place and the high-scoring boys' trophy. Although the girls did not score high enough to receive the high-scoring girls' trophy, they did help win the high-scoring school trophy.

After much hard work and practice, the girls' basketball team, under the direction of Miss Cook, went ahead to win all but three of their games. As this edition of the TORCH comes to a close, we hope that it has helped you to relive this past school year with us. We have endeavored to recapture the many phases of activity at Christian Academy.

Now we, as seniors, must say good-bye to "the best years of our lives." With the future before us and with dedicated lives, it is our prayer that we may strive to live up to our class motto, "Achieving His Will."

We would like to extend our sincere thanks to all the advertisers, boosters, members of the staff and faculty, friends, prayer warriors, and other patrons, who have helped to make this yearbook a success.
